#### PARK CITY.

A beautiful home wedding was solemnized here Wednesday, June 4, at high noon, at the home of Mr. and Mrs. Thomas Cupit, when their daughter, Miss Ann Cupit, was married to Mr. Edward D. Hurlbut of this place. The happy couple stood under a canopy of white roses and sunflowers, while a horse-drawn carriage, with a white horse and a white driver, was suspended above their heads.

The bride was attended by her sister-in-law, Mrs. Thomas Cupit, Jr., and Mr. Cupit acted as best man for the groom. After the ceremony the entire party, numbering about twenty, sat down to an elaborate breakfast.

The bride and bridesmaid looked charmingly in gowns of white silk trimmed with Irish point lace, and both carried bouquets of bridal roses. Mr. and Mrs. Hurlbut, accompanied by Mr. and Mrs. Thomas Cupit, Jr., left on the afternoon train for a month's trip through California.

An automobile is a great deal of fun. It gives out a smell of 50 vibrations to the second, and has a speed of forty miles an hour, has an average specific gravity of 4.14 to the intelligence of its owner, and can run over one child and smash two wagons in every eighteen minutes. About how much is the owner worth?

In a seaside hotel there are eighteen summer girls and three men. Suppose that every girl kisses every man twenty times before she becomes engaged, and that three men, working four hours a day, can kiss four girls eighty times. What time will elapse before all the summer girls will have become engaged to all the men?

Out of a band of Filipinos who are being benevolently assimilated, 20 per cent are shot, 30 per cent of the remainder are crippled for life, 20 per cent of the remainder are tortured, and there are three left to listen to the missionaries. How many were there in the beginning?

#### NATIONAL GUARD

The second drill for the M. C. Lilley gold medal was held Thursday night.

After a hard drill in the manual of arms and the fringes the medal was awarded to First Sergeant Paul.

This is the second time the medal has been drilled for and Sergeant Paul has been victorious in each contest.

The conditions of the drill are that it shall be won three times by one man, not necessarily in succession, so it will be seen that Sergeant Paul has a long lead, but he is not a sure winner.

Battery A and Troop A will turn out together for battalion parade tomorrow night. Those who wish to see a very interesting drill may do so by being present at the armory Monday night at 8 o'clock.

A requisition for khaki uniforms for company H was filed by the quartermaster last week. Most of the organizations are now equipped with this uniform, which is hailed with delight now that the warm weather has come.

Captain Greenwald of the signal corps will take that organization out for practice with the heliographs this morning. The corps will assemble at the armory at 8 o'clock and one squad will go from there to Englewood and the other will take its station near the mouth of Parley's canyon.

Cupid seems to be working overtime in the hospital corps. Some time ago Major Benedict was united in marriage, then Stewart Schmale and next Thursday night Private Walker will be the victim. The hospital corps will be present in uniform to act as a body guard.

Battery A held very interesting section drill last Monday night. There were many visitors present who enjoyed the drill very much.

Captain Greenwald of the signal corps has applied for leave of absence with permission to leave the state. Captain Greenwald will tour the east and spend several days with General Greeley at Washington.

A consignment of chevrons was received by the quartermaster during the week by express. These are for the khaki uniforms and consist of infantry, signal corps, hospital corps and artillery chevrons.

A requisition for quartermaster's and ordnance stores for company F stationed at Manila was filed and shipped to Captain Kamenar by the quartermaster yesterday afternoon.

Privates Mariger and Grow of the signal corps have made application for discharge. Private Grow on account of physical disabilities and Private Mariger on account of his business interfering with his duties as a guardsman.

On account of the high school commencement exercises which are to be held at the Salt Lake theatre next Thursday night, the signal corps will hold no drill that night. The corps is personally interested in these exercises as one of the members of the corps is of the graduating class.

A consignment of quartermaster supplies was received at the armory yesterday from the Rock Island arsenal.

General order No. 21 has been issued from headquarters, and is as follows: Private Charles H. Ulmer of battery A, light artillery, having been tried before a summary court officer, first brigade, for unexcused absence from drill during the months of November and December, 1901, and January, 1902, and having been found guilty and sentenced to pay a fine of \$13, which sentence was duly approved by the brigade commander of Jan. 26, and said Ulmer having been in the custody of the sheriff in the nominal custody of the sheriff of Salt Lake county for failure to pay such fine, during which period repeated requests have been made upon the commander-in-chief and the brigadier general for a remission of the sentence and the discharge of the defendant from the service of the state because of the fact that he is a minor and his parents were averse to his longer continuing to be a member of the national guard, it is hereby ordered:

That while there is no evidence that parental objection to said Ulmer's enlistment at the time of his muster in or for a considerable period subsequent thereto, and he having acted in an unbecoming and disrespectful manner toward his commanding officer, and having set an example, which, if permitted to pass uncorrected, would be subversive to all discipline, yet, in view of the defendant's youth and presumed ignorance of proper military procedure, and with concurrence of the summary court officer, who imposed the fine; and the brigadier general, who approved it, who agree that the ends of justice and discipline would be subserved by the publication of this reprimand in general orders, the fine of said Ulmer is remitted, he will be ordered released from arrest, and his commanding officer will cause to be forwarded to these headquarters for signature his discharge from the service of the state.

It is further ordered that the incident above referred to be served as a warning to all recruiting officers against the enlistment, at any time or any circumstances, of any minor without the consent in writing of the parent or guardian before the recruit is permitted to sign enlistment papers or is sworn into the service. By order of the commander-in-chief.

CHARLES BURTON, Adjutant General.

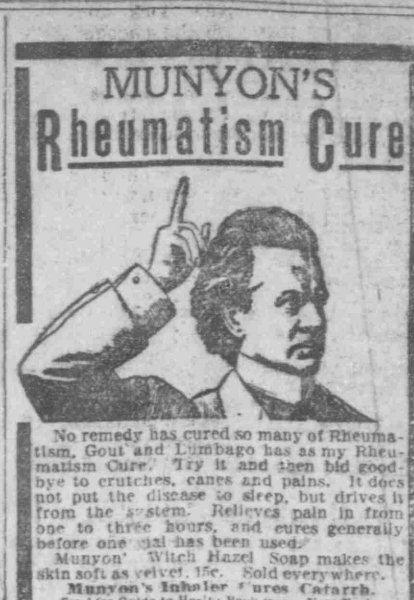

Those officers who took the examination to determine their fitness to hold commissions in the guard some little time ago, have, for the most part, received their commissions. Lieutenant Skidmore of the signal corps headed the list with a percentage of 92 out of a possible 100.

A Splendid Remedy.

PURE OLIVE OIL

Been a hard thing to get a pure olive oil, but we've found one at last.

Just in time, too.

For now comes the season for salads for lunches, etc.

This oil is made in California. The home of the American olive. So, why shouldn't they make good oil there?

We venture you'll like it. Comes in several size bottles. So you can get a small one for trial.
